

# Dry Fruits

## HQ GROUP OF COMPANIES

Our company has been engaged in the processing, packaging, and export of dried fruits since 1975, supplying various countries around the world, including India, Pakistan, Iran, the United Arab Emirates, and many others. We are proud to introduce our production team, which offers Afghanistan's organic and natural dried fruit products under the brand name H.Q – a name that stands for quality.

We place special emphasis on the quality of our products and process and package all types of dried fruits and herbal products according to your specific requirements. In addition, our transportation team ensures smooth and reliable transit and delivery to destinations worldwide.
